

April 2006

Dear Residential Code Purchaser:

The packet you are holding contains additional amendments to the 2003 International Residential Code (IRC). These amendments are in addition to the amendments adopted in 2004. You will not have a complete Seattle Residential Code unless you also purchase a copy of the 2003 IRC and the 2004 amendments. Insertion instructions follow.

If you have any questions, please call DPD's Technical Codes Unit at 233-3892.

**SEATTLE RESIDENTIAL CODE INSERTION GUIDE**  
**(Includes Ordinance 122047)**

The pages in this packet replace those pages of the Seattle Residential Code (SRC) which have been amended. Remove pages from the SRC listed in the column headed "Remove" and in their places insert the pages from this packet listed in the column headed "Insert." If you have not already done so, you must insert the 2004 amendments into your copy of the 2003 International Residential Code before you insert the pages in this packet.
